MIX UNLIMITED SPECIAL SALES PROMOTION

Limited Time Promotion available for multi-year terms.

- 1 YEAR SERVICE TERM = 1 FREE MONTH ON MRCs
- 2 YEAR SERVICE TERM = 2 FREE MONTH ON MRCs
- 3 YEAR SERVICE TERM = 3 FREE MONTH ON MRCs

MIX Trunx can be set up as SIP using the G.711 (ulaw) or G.729 codecs. Each **MIX Trunk** enables one (1) simultaneous call and can be used with a Virtual PBX or as a stand-alone product to enable IP → PSTN connectivity. Available in Flat Rate, Unlimited, and Metered options, **MIX Trunx** offer substantial savings and flexibility compared to traditional services.

MIX Networks partners with MPLS Tier 1 Carriers like **Level (3)**, **MCI/Verizon**, and **Global Crossing** to ensure high quality VOIP services.
